11% Overall Similarity

The combined total of all matches, including overlapping sources, for each database.

- 6% Internet database
- 5% Publications database
- Crossref database
- Crossref Posted Content database
- 7% Submitted Works database

Excluded from Similarity Report

- Bibliographic material

## ● 11% Overall Similarity

Top sources found in the following databases:

- 6% Internet database
- 5% Publications database
- Crossref database
- Crossref Posted Content database
- 7% Submitted Works database

### TOP SOURCES

The sources with the highest number of matches within the submission. Overlapping sources will not be displayed.
